

NAVIGATE

fresh hope
mission & ministry

Fresh Hope provides spiritual leadership pathways to suit all ages and life paces, designed for those who desire a deeper Kingdom life.

Our movement is passionate about equipping men and women who sense they are called by God to live courageously for Him and His Kingdom. NAVIGATE programs are a vital step in providing spiritual leadership training experiences to equip you to be a transformational person wherever God leads you in life.

We believe that leadership is caught and taught, and that's why we have combined real life experiences, personal formation and tertiary studies to enable you to be in the best position to shape a life of spiritual influence.

NAVIGATE ADVENTURE

Adventure is for young adults (18-24 years) who have a passion to experience Jesus and His Kingdom. It is a year of formation that will equip you to be a person of spiritual influence and to live a Kingdom-focused life in the context you are placed. Adventure is centred around a series of 'treks' which are on-the-road experiences that include a range of academic and practical learning, spiritual formation and exposure to ministry and mission, along with important life skills.

Snapshot of ADVENTURE:

- > Complete 4 subjects towards a Diploma of Christian Studies
- > Participate in 6 treks (approx. 50 days across the year)
- > Participate in a 2-week Cross-Cultural 'Extreme Trek'

NAVIGATE IMPACT

Impact is for previous Navigate students who are looking for an immersive missional learning experience. Students will live and engage in practical ministry, mentoring and study as well as intentional space for exploration of their vocational calling. The Impact experience is tailor made for each student - designed to form and equip mature spiritual leaders through unique learning experiences. If you are passionate about exploring God's calling on your life and want to engage in practical mission, then Impact is for you.

Snapshot of IMPACT:

- > Complete a Spiritual Formation subject
- > Participate in 4 retreats (approx. 20 days across the year)
- > Commit at least 2 days per week to engage in a mission context

"Navigate has been the most transformational experience of my life so far. I have become a more deeply formed and spiritually mature person and have gained a greater understanding and awareness of who I am. It has been a year of challenging and confronting experiences, but from that has come remarkable growth that I believe will last a lifetime."

– Past student

NAVIGATE DISCOVER

Discover is designed for those who are unable to commit to a full-time course due to family, study or work; but have a passion to align their life with God's Kingdom. Over the year students will engage in deep community through spiritual formation, retreats and regular mentoring. Discover will help you embrace the adventure of life, wherever it takes you. Students will undertake spiritual formation study with the option to engage in further theological study tailored to suit your interests and needs.

Snapshot of DISCOVER:

- > Complete a Spiritual Formation subject
- > Participate in 4 retreats (approx. 16 days across the year)

NAVIGATE RECHARGE

Recharge is for people over 50 who are ready to intentionally embrace the second half of life with wisdom and courage. It's a space for recalibration of your whole person, encouraging you to rediscover your true identity as a child of God. During this one-year program you will take time to encounter God's word and Spirit in the context of deep community. This is a year of equipping you to 'live loved and to live to love in a world that needs transformation.'

Snapshot of RECHARGE:

- > Complete 2 year-long subjects in Spiritual Formation & Biblical Studies
- > Participate in 4 retreats (approx. 20 days across the year)

ACOM is a member of the Sydney College of Divinity who offer internationally recognised higher education awards. Study with ACOM may be full-time or part-time and is both Austudy and FeeHelp approved for students who meet the Australian Government criteria. See www.studyassist.gov.au for details.
